Crownpointe by Brigadier – 14' X 60' for a total of 840 square ft and sits on an oversized lot. 2 bedrooms and 1 bathroom, this home comes with plenty of extras. An open floor plan, stainless appliances in the large kitchen, neutral paint, and "wood" look vinyl plank flooring set the background and make this home ready for your finishing touches. With this homes' large, open spaces, poured concrete patio with awning in front of the home, and the very large, covered carport / patio in the back, it only makes sense that these homeowners have built an extra bathroom in the attached shed.
