Well maintained home!

2009 CAVCO Manufactured Home, 16x60, (960 sq ft), 2 bedroom, 2 bath. As you arrive at this home you will see solar shades on the windows exposed to the sun and a large covered 12x45 carport/patio. The side concrete measures 12x100 the length of the lot. Step inside the home has a open concept with vaulted ceiling throughout and natural lighting through the double pane windows. The front eat-in kitchen offers lots of counterspace, cabinets, breakfast bar and a pantry closet. The living room has wood laminate flooring and lots of seating space and a hide-a-bed. Down the hall is the laundry area, opposite is the second bedroom and full bath. In the rear of the home is the master bedroom featuring double closets and large storage cabinet. The master bath has double sinks, walk-in shower and a separate toilet room. Outside in the rear of the unit is a 10x12 'Tuff Shed'. This home is very clean and well maintained.
