Updated Kitchen!

Shult 14x 62 (868 sq ft) manufactured home 2 bedroom & 2 bathrooms, with additional 18' x 11.5 Texas Room & large workshop. This home has extra parking on both sides & extra cement providing low maintenance, both evident as you drive up. Entering the Texas room you see a sofa sleeper seating, tables & a sewing machine will be included in this spacious room. A front door provides access to the Livingroom with a newer reclining sofa & 2 separate recliners in the conversation area. A TV & bookcases align the far wall. A front guest room with a Q bed includes an ensuite bathroom. It's been updated with a walk-in shower. New kitchen cabinets & countertops provide an extensive work area within this kitchen with a wood dining set featured. The main bath has been fully renovated with a double walk-in shower, as well near the back door & laundry area. The master bedroom is at the back of the home with a Q bedroom set & built-in cabinets/countertop across the full back of the home, with a large closet as well. Behind the Tx room is a 20 x 8' large workshop, where the new 2019 30gal water heater is located. With new paint & numerous renovations, extensive parking & several outside patio/deck areas, this home has a lot to offer, in addition to a well-maintained metal roof with 2022 sealant.
