

## 744 N Bermuda, Weslaco, 78596, TX

Very nice layout!

This 14'x52' (Skyline) is a MUST SEE! A nice little deck at the front entrance invites you into a 12'x16.5' screened-in porch with privacy screens all around where you can sit and enjoy the nice Texas breeze. Perfect for entertaining family and friends. You will then enter the beautiful spacious eat-in kitchen with white cabinetry and glass tile backsplash. The large living room is in the front of the home and has numerous windows bringing in an abundance of light. Walking through the kitchen on the way to the back bedroom you will find an updated bathroom with beautifully tiled walk-in shower. Across from the bathroom is a large washroom with plenty of storage. The bedroom beyond is a very comfortable size with plenty of closets. From this bedroom there is a secret entrance into a very large, lovely 2nd bedroom with its own private bathroom. Outside is a very large fenced-in back yard with a storage building. There is also a very nice storage area off the screened-in porch for storing things you want to keep inside the home. There is plenty of parking in front and plenty of space for patio furniture. Great location! Close to downtown, restaurants, hospital, doctors' offices and within walking distance to Dollar General and Family Walmart. This home will not last long so call Robby at 956-369-1882 or Winona at 956-607-0007 for your private showing of this beautiful home!
